GOD'S QUALITY STANDARD

Let God Shine Brighter Through You

For it is the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4 : 6

- How bright do you want God's light shining through you?
- What benefit is there to you for shining brighter?
- What would you give in exchange for a brighter shine?
- Is there a storyline in the Bible that helps us understand this?

Purpose: To be a vessel for God's light

In a way that understands God's quality standard for my life

Ensuring that through us, God's light radiates with utmost brilliance and reaches the farthest corners, Illuminating our paths and those around us with His grace and wisdom.

Outcomes

1. Know the Quality Standard; how God thinks about a quality person
2. Self inspection ; a time of introspection
3. Clean your vessel; increased focus on how you want to live
